ABOUT YONSEI
Being the oldest university in Korea, Yonsei University was first established in 1885 by Christian missionaries. Our mission is to educate leaders who will contribute to humanity in the spirit of “truth and freedom.” The 300,000 Yonsei alumni who take this calling to heart can be found manifesting this proud spirit from leadership positions around the world.

Yonsei’s main campus is embraced in a picturesque and natural setting located minutes away from the economic, political, and cultural centers of Seoul’s metropolitan downtown. Yonsei has over 5,000 eminent faculty members conducting cutting-edge research across all academic disciplines. 21 graduate schools, 22 colleges and 120 research institutes/centers host a selective pool of students from around the world.

Yonsei is proud of its history and reputation as a leading institution of higher education and research.

MESSAGE FROM THE VICE PRESIDENT
For International Affairs

The Yonsei International Summer School (YISS) opened its doors in 1985 and since then, YISS has become an integral part of campus life based on a unique blend of Korean and global cultures. YISS continues to grow and evolve, accommodating the needs of a rapidly changing student body and meeting the challenges of a fast-paced global society.

The 2019 program provides a dynamic education in a broad range of fields, from the arts, culture and humanities to science and technology.

Furthermore, we offer cutting-edge classes in management and economics, global issues, history and social sciences. Moreover, a shorter, 4-week option will be introduced to accommodate students that can be away for only a limited period of time.

This summer, we invite you to experience the legendary “Yonsei Spirit” and to join us for an unforgettable summer in the heart of Seoul. You will make life-long friends, build new networks, expand and deepen your academic and cultural horizons, and experience life in one of the world’s coolest, yet largely undiscovered metropolises of 10 million. Make Yonsei your summer home in 2019 and have the best summer of your undergraduate journey.

Doowon Lee, Ph. D.
Vice President for International Affairs
